NV011 – JON DOE : “SCARPE BIANCE”

CAT NUMBER: NV011
FORMAT: MP3
ARTIST: JON DOE
TITLE: SCARPE BIANCE
RELEASE DATE: DECEMBER 2007

After the great success obtained with the "NeovinyL Experience" compilation, we introduce the eleventh release of our catalogue. "Scarpe Biance" is signed by one of the artists with more international projection in the netlabel scene in this moment, Jon Doe.

In this release, he leaves us to see his more intimate and introspective side giving birth to one of the most deep and melodic works he has edited till now.

We are very proud of this new one not only for having Jon Doe in the NeovinyL family, but also for the great La Casa Famiglia remix from Yin Elek and the mastering by Osobu.
